Mention may be made that all the expenses so far incurred in connection with operation, treatment, food, etc have been borne by Nizam-Hasina Foundation. Apart from eye treatment, people of the area get free medical service of general diseases.

It is a 66 bedded hospital housed in a 3-storied modern building built on 3-acres of land owned by Nizam-Hasina Foundation Hospital in the heart of the town. The hospital has got 2 (two) Nos. Most modern septic and aseptic operation theatre equipped with modern instruments and facilities.

OPD is also equipped with all modern and digital instruments, i.e. Slit Lamp, Auto-Refractometer, Ophthalmic Unit, A-Scan, Biometer, Tonometer, etc to provide high class service to the patients. The entire floor of the hospital is air conditioned. In order to ensure proper electric supply to the hospital a 60 KVA Diesel Generator (Stand-by) has been installed from the very beginning of the hospital.

It may also be mentioned that all the medicine as prescribed by the physicians of the hospital are distributed from the pharmacy of the hospital free of cost. Besides, spectacles (frame and glass) are also provided to the patients without cost. All such cost are borne by Nizam-Hasina Foundation.

All types of pathological tests are done in a modern Pathological Laboratory owned by the hospital for the welfare of the patients.

Roughly an amount of Tk. 15,00,000/- (Fifteen lac) only is spent per month to run the whole show of the hospital.

Nizam-Hasina Foundation was registered in 2003 under Registrar of Joint Stock Companies (RJSC) under Societies Act- 1860 to undertake various types of social welfare activities. The Foundation provides monetary help to Old Home, Primary/High School, Orphanage, Madrasha, Mosque, Allowance to Freedom Fighters, Diabetic Centre, Bhola. Thus the Foundation has been providing services to the poor and deserving people of the community.

It is worthwhile to mention that Mr. Nizam Uddin Ahmed took personal initiative to establish the Foundation. Mr. Ahmed started his business career after completing his education from Dhaka University in Mass Communication and Journalism as well as law. He is an entrepreneur and established two insurance companies, viz. Karnaphuli Insurance Co. Ltd. and Meghna Life Insurance Co. Ltd. He is the Chairman of both the companies. Mr. Ahmed so far donated Tk. 30.00 Crore (Thirty Crore) for philanthropic purpose. He is a social worker and a patron of many schools, colleges, socio-cultural organizations. At present he is the Vice Chairman of Bangladesh Insurance Association.

Every month we perform about 100-120 operation & rest amount we stock in waiting list & step by step we call the patient & operation done.

But Now this waiting list serial exceed 3500 and every day add about 10 to 15 new patient that is too much burden to us & almost impossible to us to operated this amount of patient simultaneously. So if any kind hearted man or NGO to support us or want to operation in this poor people please contact us-

Thanks from-
